EXPERIENCE

Conservatory of Flowers

Freelance Designer / Design Consultant 2004 – PRESENT

Designed various projects including but not limited to brochures, special event letterhead and envelopes, a children's workbook, t-shirts, maps, etc. Have worked closely with photographers, illustrators, printers and other vendors to carry projects from concept to production.

Landor Associates

Freelance Designer 2006 – 2008

Involved in various projects focusing on beer packaging design, including promotional packaging, evolutionary re-design and logos. Worked in tandem with implementation team with tight client deadlines. Collaborated within a talented team of designers and client managers on various design strategies.

Lucas Licensing

Freelance Designer 2008

Designed and developed assets for Star Wars™ and Clone Wars™ product licensing. Assisted in producing the style guide for licensed artwork.

International Data Group

Graphic Design Intern 2006

Designed for an interactive entertainment magazine. Designed page layout and handled / managed assets for design team. Assisted in concept design and development for sister web site.
